Memo
Chambers

14 January 1983

Dear Sam,

You might want to have one of these for old times' sake. You never thought that when you were playing football at Glen Cove that finance and real estate there would justify a monopoly type game. This is a Chamber of Commerce production which someone sent me and I thought you ought to have one, too.

Best regards.

Yours,

Bill

William J. Casey

The Honorable Samuel R. Pierce
